Educational Program

Camp Howze MVPA's Educational Program known as "History Alive" or "History Alive Weekend" allows the membership to use the equipment and vehicles to educate the youth and the public on the Greatest Generation and their life. Our membership has amassed a large collection not only of vintage military vehicles, but artifacts, weapons, equipment and uniforms.

Our program includes learning stations of displays and interactive sessions on many different topics and types of vintage items. Not only have we hosted large events to the public, but we have taken our program to various schools, museums, and public events. We average about 20,000 persons per year that get exposed to our program.

During the Covid years we provided ZOOM interactions with school systems during their WWII lesson plans and aided the teacher in covering relevant topics to enhance learning.

Hosting School from Oklahoma at Morton Museum / Depot

Veteran Services

Our Veteran Services Program has increased in touch as well as scope over time. What merely started as personal interaction with a few WWII Veterans expanded quickly due to member involvement, rapid rate of loss, and current needs of the veterans.

Pancake Breakfast

Offered Quarterly at no charge to Veterans for social time. From Stanford House to remote locations! The Pancake Breakfast for past years has been a wonderful service to our older veterans that year for social time.

Contact - Mail

Our Secretary personally interacts with dozens of Veterans through US Mail. Includes Birthday Cards, Get Well Cards, and Holiday Greetings all throughout the year.

Special Request

From Purchasing and installing Flagpoles at Veterans yards, To going to events that are honoring them, To funeral processions requested by the family members. Our group has been of service in any way we can for our Veteran community.

Camouflage Christmas

This program our group insures that area Veteran Family's not only have what is needed during hard times, but we attempt to give more, meet wants, and take care of the kids during Christmas. recent years we have been able to impact many family's and is a large part of our financial obligations using the money raised, donated, member dues, merchandise sales and more through out previous year.

Benefits for Sponsor

Attached is the list of Benefits and Opportunities.

Single Sponsorship / Multi Event

We are sourcing financial support that will endure an entire year and be valued at multiple events with, continuous Social and Web Presence rather than single event. this will give sponsor more coverage at less cost compared to other sponsorships and be viewed as ongoing support.

Volume of contact

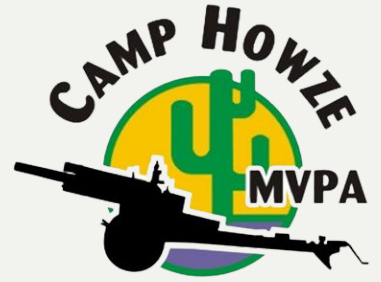

our presence at all events annually put us in contact with 20K of in person interactions.

Our Social Media impacts 2K and website being established and referenced on all marketing materials distributed.

Financial Use

With the funds received we will utilize them in running a large event in our Educational Program and heavy focus on our end of year Camouflage Christmas Program. Both will impact our community and your support will not only be marketed, but have impact financially to the Veterans and their families! 100% of funds impact these programs.

2024 Event Plans

2024 Jefferson Highway Convoy

18-20, October 2024

This National Event is the first to come to our community and we have worked hard to get it here. This will be one of the major undertakings of the MVPA International (HQ) and start in Canada.

Typically these Convoys are participated by large number of people and vehicles from all over the world. There will be local Press coverage and our Chapter has plans that are unique and will have attention to the MVPA HQ.

Our group will welcome on Friday the 18th and feed approximately 200+ a meal that is filling yet inexpensive to produce in volume.

Saturday the 19th we will hold onsite (Cooke County Fairgrounds) our Pancake Breakfast in which the public will attend as well.

That night will be our Trademark USO Show in which again the Convoy Participants and the local community can take part in.

This entire venue from start to finish will have opportunity to display and promote the wonderful sponsors that helped put it on. We plan not only for local but DFW area Press/TV Coverage of the event.

Our Group intends on making a strong impression with the Convoy, MVPA HQ and the community.

Along-side our Sponsors we can get it done!

Branson, MO Annual Veterans Day Parade

11 November 2024

Every year with this one no exception Camp Howze MVPA joins the town of Branson to support the Veterans this entire week. We volunteer and provide for various reunions as well as haul a large contingency to participate. Non-Profit funds go to the Reunion Gifts, Coffee, etc. only, All the Travel Expenses, Lodging, Food, and Logistics are solely out of pockets of individual members.

Medal of Honor Program

27 April 2024

Our group provides a large amount of military vehicles to support the Medal of Honor Host City Program Annual Parade and displays as Gainesville welcomes MOH Recipients from all over the US.

Camouflage Christmas 2024

December

We will continue to Expand the Program and grow the amount of community reach for the impacted Veterans and their families.

Currently serving our area (Cooke/Grayson/Denton Counties) but not incapable of going further, we will insure those Veterans (Food, Warm Clothing, Basic Needs) will get what is needed. Additionally we have been able to meet the wants (Children's toys, etc.) so the family has a happy Christmas.

From Acquisition, to Wrapping and packaging, to hand Delivering, our group is very involved with large participation within the chapter. Many members pitching in additional funds to make sure all get what is needed.

This will be a large part of our year end financial usage, and sponsors will get to be a part of this as well.

Annually

January - September

Our members participate in many events from Ft Washita, OK in Feb, to Car Shows, to July 4th Parades, to Quarterly Pancake Breakfast, to Various School Appearances.

Camp Howze MVPA will have representation in OK and TX year round. these event expenses are all out of member pockets but gives us marketing opportunities for us to share sponsors!

Thank you! For your Consideration
